Munay Ki –Rites

Foundation Rites:

**Healer’s Rite** - Connects you to a lineage of luminous healers from the past, who come to assist in your personal transformation. Awakens the healing power in your hands so that everyone you touch is blessed. These luminous ones work in our sleep to heal the wounds of the past and of our ancestors.

**Bands of Power** - Five luminous belts are woven into your luminous energy field (LEF) for protection. They act as filters, breaking down any negative energy that comes toward you into one of the five elements. These energies then feed your LEF instead of making you ill.

**Harmony Rite** - Transmission of the 7 Archetypes into the chakras. First you receive serpent, jaguar, hummingbird and eagle into your four lower chakras; next you receive three archetypes: the Keeper of the Lower World (our unconscious), the Keeper of the Middle World (our waking world), and the Protector of the Upper World (our super-conscious).

**Seer’s Rite** – Extra-cerebral pathways of light are installed to connect the visual cortex with your third eye and heart chakra. This awakens the “inner seer” and your ability to perceive the invisible world of energy and Spirit.

Vibration of Angels and Archangels:

**Daykeeper’s Rite** - You connect to a lineage of masters from the past. Daykeepers are able to call on the ancient altars to heal and bring balance to the earth, call on the sun to rise each day, and bring humans into harmony with Mother Earth. They are the midwives, herbalists and curanderas. This rite helps you begin to heal your inner feminine, step beyond fear, and practice peace.

**Wisdomkeeper’s Rite** - You connect to a lineage of luminous teachers from the past and the future. This rite is associated with the snow-capped mountains, perhaps a distant memory of our ancestors from the Himalayas. This rite helps you to begin to heal your inner masculine, step outside of time, become steeped in the medicine teachings, and taste infinity.

**Earthkeeper’s Rite** - This rite connects you to the archangels that are stewards of all life on Earth. This rite connects you to the stars, and to the sun, our local star. It helps you learn the ways of dreaming the world into being.

**Starkeeper's Rite** - This rite anchors you safely to the time after the great change, set to occur at or around 2012. Your physical body begins to evolve into *homo luminous*, the aging process is slowed down, your DNA is re-informed, and you become more resistant to disease.

**Creator Rite** - Awakens the Creator-light within and brings forth a sense of stewardship for all creation, from the smallest grain of sand to the largest cluster of galaxies in the universe. Once
attained only through direct transmission from Spirit, it is now possible to transmit from one person to another.

As you work with embodying these rites you’ll be touched and blessed by angels. You simply need to open yourself to the wisdom of the Earthkeepers, and all is bestowed upon you.
